Question 1: [03 Marks]

Imagine you are an entrepreneur preparing to launch a new tech startup. Based on the framework provided in Lecture No. 15 (Pitching and Presenting Ideas), complete the following three tasks:

Task 1: Audience & Objective Definition

- Identify your target audience (e.g., angel investors, enterprise clients, or internal project board) .
- Explain how you will research and tailor your presentation to match their specific expectations .
- Clearly state your primary objective and your final Call to Action (CTA).

Task 3: Delivery Strategy & Q&A Preparation

- Describe how you will use **storytelling** and **visual aids** to keep your audience engaged.
- Anticipate **three challenging questions** your audience might ask about your business model or financials .
- Provide your strategy for handling these questions while remaining calm and open to feedback.
