Question: (04 Marks)

Imagine you want to become an entrepreneur and start your own business. Identify a problem in your community or daily life and develop a business idea that can solve that problem.

Instructions

Write a short business proposal covering the following:

1. What problem have you identified?
2. Who is affected by this problem?
3. What business idea do you propose to solve it?
4. How will your product or service help people?
5. Why do you think your business can be successful?
